PAPER

Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

Response to Rule 312 Communication	Application No.	Applicant(s)
	10/762,058	BHATIA ET AL.
	Examiner	Art Unit
	PADMA v. BASKAR	1645

-- The MAILING DATE of this communication appears on the cover sheet with the correspondence address --

1. ☒ The amendment filed on 10 April 2008 under 37 CFR 1.312 has been considered, and has been:

a) ☐ entered.

b) ☐ entered as directed to matters of form not affecting the scope of the invention.

c) ☐ disapproved because the amendment was filed after the payment of the issue fee.

Any amendment filed after the date the issue fee is paid must be accompanied by a petition under 37 CFR 1.313(c)(1) and the required fee to withdraw the application from issue.

d) ☒ disapproved. See explanation below.

e) ☐ entered in part. See explanation below.

The amendment filed on 4/10/08 raises new issues under 35 U.S.C 112 first paragraph such as new matter and written description because "an amino acid sequence having at least 98% identity to the entirety of residues 8 to 598 of SEQ ID NO: 140" has no clear support. Therefore the amendment is not entered.
